

Bread Bar®

For your own protection and that of our employees,
please disinfect your hands first.

Then ask your server for the spread / jam and
bread you would like. He or she will be happy
to bring them to your table.

Please use your fork to put the bread on the grill,
because we have taken the precaution of
removing the tongs.

Please maintain social distancing of at least 2 meters.
Kids 12 and under are not allowed at the Bread Bar®.

Thank you.
