

100% SAFE DELIVERY

pacini.com/athome

Our delivery person disinfects his or her hands and puts on a pair of disposable gloves before getting out of the car.

Once outside your door, they place your order on top of the insulated bag.

Then move at least 2 meters away.

Once you have closed your door, the delivery person takes the bag, throws the gloves into a trash bag kept in the car.

Back at the restaurant, he or she washes their hands according to the best health and hygiene standards

the delivery bag is completely disinfected.
